

# Katy Perry, Gimme Gimme (feat. 21 Savage)

[21 Savage]

Big dog Savage, I'm the man of your dreams (21)  
I heard you gotta jump just to put on your jeans  
I'm like Amazon 'cause I got what you need (21)  
She gave me her heart, so I gave her my keys (21)

[Katy Perry]

Gimme, gimme, baby, stop wastin' my time  
Kitty, kitty, wanna come party tonight  
Trippy, trippy, daddy, take me on a ride  
If you want my body, gotta blow my mind (Blow my mind)  
Gimme, gimme, baby, stop wastin' my time (Wastin' my time)  
Kitty, kitty, wanna come party tonight (Party tonight)  
Trippy, trippy, daddy, take me on a ride (Me on a ride)  
If you want my body, gotta blow my mind (Blow my mind)

[Katy Perry]

Tell me, baby, 'cause I'm listening  
Stimulate me with your fantasies  
Say the right thing, maybe you can be  
Crawlin' on me like a centipede  
Freaks only come out at night  
Tryna flex in the texts  
They all bark with no bite (With no bite)  
Please, gotta know what I like  
Turn me on all night long  
And you know that I might (That I might)
