

Katy Perry, No More Tears For New Year's

I promise you no more tears for New Year's
I promise you no more tears for New Year's
Soon as it hits twelve o'clock
That's when all the crying stops
I promise you no more tears for New Year's

It's almost midnight in Malibu
Tonight I'm kissing strangers
This black mascara is waterproof
'Cause I'm on my worst behavior

Yeah, I could swear off the wine (Oh, no, no)
Yeah, I could go on a diet (Oh, no, no)
First thing on my list I'm gonna do
Is quitting you, heartbreaker

I promise you no more tears for New Year's
I promise you no more tears for New Year's
Soon as it hits twelve o'clock
That's when all the crying stops
I promise you no more tears for New Year's

I promise you no more tears for New Year's
I promise you no more tears for New Year's
Soon as it hits twelve o'clock
That's when all the crying stops
I promise you no more tears for New Year's

It's almost midnight in Malibu

'Cause I'm on my worst behavior

Yeah, I could swear off the wine (Oh, no, no)
Yeah, I could go on a diet (Oh, no, no)

I promise you no more tears for New Year's
