

# Katy Perry, Part Of Me

Days like this I want to drive away  
Pack my bags and watch your shadow fade away  
?Cause you chewed me up and spit me out  
Like I was poison in your mouth  
You took my light, you drained me down  
But that was then and this is now  
Now look at me

This is the part of me  
That you?re never gonna ever take away from me, no  
This is the part of me  
That you?re never gonna ever take away from me, no  
Throw your sticks and your stones, throw your bombs and your blows  
But you?re not gonna break my soul  
This is the part of me  
That you?re never gonna ever take away from me, no

I just wanna throw my phone away  
Find out who is really there for me  
You ripped me off your love was cheap  
Was always tearing at the seams  
I fell deep and you let me down  
But that was then and this is now  
Now look at me

Now look at me I?m sparkling  
A firework, a dancing flame  
You?ll never put me out again  
I?m glowin? oh whoa  
So you can keep the diamond ring  
It don't mean nothing anyway  
In fact you can keep everything yeah yeah  
Except for me

This is the part of me  
No  
Away from me  
No  
This is the part of me, me, me, me, me...  
No  
Throw your sticks and your stones, throw your bombs and your blows  
But you?re not gonna break my soul  
This is the part of me  
That you?re never gonna ever take away from me, no
