

Kavana, Funky Love

I've been all over the world,
looking for something, I've seen it all,
but still I had found no one like you
I broke all the rules,
I played every game,
I soon relised,
all that I needed was you.
Do you know how much I like it,
do you feel the same?
cos You give me everything I ever need and more,
I spent my whole life looking for,
May be this it is,
cos we got funky love,
Never knew a time like this before,
There is no bady else I need to call,
Baby this it is,
cos we got funky love.
The way that you touch me feels so divine,
And all the right places,
you know how to find with me,
So let's take a moment to sit and remind,
Ourselves of the feeling you'regiving me all the time.
Do you know how much I like it.
Do you feel the same?
Cos we got funk, wegot funky love.....
