

Kavana, Release It

ask me no questions, i'll tell you no lies
i honestly thought you knew
you tell me i'm faking most of the time
baby, you've found the truth

we break every rule
so why do yo uchose to be serious
(i think it's time you played my way)
i'm talking in rhymes
you're making me feel so delirious
(let it out)

chorus:
can you release it, baby go with the flow
release it, 'cos i know what you know
release it, what you're feeling inside
release it, 'cos there's nothing to hide

you talk like tomorrow is light years away
you constantly play it safe
when you get affection you have it your way
why can't you sit and wait

we break every rule
so why do yo uchose to be serious
(i think it's time you played my way)
i'm talking in rhymes
you're making me feel so delirious
(let it out)

repeat chorus
