

# Kay Starr, You're My Sugar

You are my one and only  
The only one I kiss

But that black book in you're pocket, honey  
ain't no grocery list

But o took you to a nightclub  
to have a bang up time

But we ended up washing dishes  
'cause you didn't have a dime

ref.:  
You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

I ordered you a collar right from the catalogue  
But can't stop barkin' 'cause that collar's for a dog

Well, next day I set you neck-ties,  
did you like the ties you got?

how come you tie the neck-ties honey,  
like a hangmans knot

ref.:  
You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

insturmental..

well that diamond ring I bought you  
was nothing but the best

But you only paid a dollar down  
I had to pay the rest

What happend to the fur coat  
I bought the other day?

Well that new fur coat you got me  
just got up and walked away

ref.:  
You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

Now I knitted you some golf-socks

with fancy heels and sow's

well I guess you'll call them golf socks  
they both got 18 holes.

I promised you a pony  
I promised you a yacht

Well a saddle and a paddle, boy  
was all I ever got

ref.:  
You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

You're my sugar  
You're my sugar  
You're my sugar but you're never sweet to me

Well I'm getting tired of fighting  
been at it all my life

Well the way we always get along  
we should be man and wife

ref.:  
You're my sugar  
You're my sugar  
And I am sweet on you
