

Kazaky, Push (feat. Gaspar)

my dance is my freedom
my dance floor is my kingdom
my moves are my story
my glory and holly

my dance is my freedom
my dance floor is my kingdom
my heels are my weapon
and you are my sweet porn

daddy push
steady

you wanna take me higher
you wanna take it all
yo wanna get it harder
you wanna lose control

I am saying, yes sir
I'm calling yes, sir!

my dance is my freedom
my dance floor is my kingdom
my moves are my story
my glory and holly

my dance is my freedom
my dance floor is my kingdom
my heels are my weapon
and you are my sweet porn
