

# KDA, Turn The Music Louder (Rumble) ft. Tinie T

So right, so fresh  
Top five, no less  
So right, I just flex  
She can't get me out of her head  
So, ya'wanna hear TT on the KDA with the Katy B  
And that's it,  
Ain't no one left  
Rumble, go hard, no rest,  
Come on!

You got me feeling for your power  
Turn the music louder, let me feel it  
Rumble, go hard, no rest, come on!  
You got me feeling for your power  
Turn the music louder, let me feel it

T, T like a Twister  
Spin down, might put it on your sister  
Got swag like a hipster  
Give me girls with the lips  
What a face, what a mixture  
Bare likes when I'm lookin' at your Insta  
What, last night was a picture  
In the pool getting busy with the mixer

So right, so fresh  
Top five, no less  
So right, I just flex  
She can't get me out of her head  
So, ya'wanna hear TT on the KDA with the Katy B  
And that's it,  
Ain't no one left  
Rumble, go hard, no rest,  
Come on!

You got me feeling for your power  
Turn the music louder, let me feel it  
Rumble, go hard, no rest, come on!  
You got me feeling for your power  
Turn the music louder, let me feel it

Shit, shit, shit

Keep on coming back for more  
Got me knocking down your door  
You know how to take me higher

You got me feeling for your power  
Turn the music louder, let me feel it  
Rumble, go hard, no rest,  
Come on!

You got me feeling like  
Something just ain't right,  
Why did I let you in,  
And let the this all begin  
I wish I could forget,  
The day that we first met,  
And now it's blowing up  
Still I can't get enough,  
Baby, do you know?  
Do you know what you're doing,  
What you're doing?  
Baby, let me go
