

# Keahiwai, Roses Need The Rain

I love you more than yesterday  
I love you less than tomorrow  
I need you every minute of the day  
Like roses need the rain

Now that I'm ready to have you back boy  
It's seems you're stuck with someone new  
I got rid of my other half, why won't you get rid of yours too?

I love you more than yesterday  
I love you less than tomorrow  
I need your every minute of the day  
Like roses need the rain

They say that your first love will always and forever be your true love forever  
So why spend time to learn, to get hurt, to get burned by somebody else?  
Now I've got myself  
Letter's that I've sent, now my heart is bent waiting on you  
Cause you belong to me and I belong to you

I love you more than yesterday  
I love you less than tomorrow  
I need you every minute of the day  
Like roses need the rain

You'll never know how much you love him when you leave him  
until he's with someone else  
They you'll start to think that if you loved him why'd you leave him  
And now you're left all by yourself, I'm all by myself

I love you more than yesterday  
I love you less than tomorrow  
I need you every minute of the day  
Like roses need the rain
