

# Keane, Can't Stop Now

I noticed tonight that the world has been turning  
While I've been stuck here dithering around  
Though I know I said I'd wait around till you need me  
But I have to go, I hate to let you down  
But I can't stop now  
I've got troubles of my own  
Cause I'm short on time  
I'm lonely  
And I'm too tired to talk

I noticed tonight that the world has been turning  
While I've been stuck here withering away  
Though I know I said I wouldn't leave you behind  
But I have to go, it breaks my heart to say

That I can't stop now  
I've got troubles of my own  
Cause I'm short on time  
I'm lonely  
And I'm too tired to talk

To no one back home  
I've got troubles of my own  
And I can't slow down  
For no one in town  
And I can't stop now

And I can't slow down  
For no one in town  
And I can't stop now  
For no one

The motion keeps my heart running  
The motion keeps my heart running  
The motion keeps my heart running  
The motion keeps my heart running
