Keane, We Might As Well Be Strangers

I don't know your face no more
Or feel your touch that I adore
I don't know your face no more
It's just a place I'm looking for
We might as well be strangers in another town
We might as well be living in a different world
We might as well
We might as well
We might as well

I don't know your thoughts these days We're strangers in an empty space I don't understand your heart It's easier to be apart

We might as well be strangers in another town
We might as well
We might as well
We might as well
We might as well
We might as well be strangers
Be strangers
For all I know of you now
For all I know of you now
For all I know of you now
For all I know
