

# Keane, You Don't See Me

Like beautiful dawns, all made up and bright  
Radiant people, in splintering light  
All moving at the speed of life  
Reflecting in each others' eyes  
But you're moving so fast  
Through this beautiful scene  
You don't see me  
You don't see me

Oh truly we are, a fortunate few  
Who turn on your axis, revolve around you  
All spinning outwards from your sun  
Passing your reflection on  
In your hurry to grasp  
Everything you see  
You don't see me  
You don't see me  
You don't see me  
No, you don't see me

Such a beautiful view  
I guess you've seen it all  
But you  
You see nothing at all  
Such a beautiful view  
Shining so bright

Shining so bright  
So bright

All moving at the speed of life  
Reflecting in each others' eyes  
But you're moving with such irresistible speed  
You don't see me  
You don't see me  
You don't see me  
No, you don't see me  
No, you don't see me  
Oh oh...Oooo, ooo...
