

# Keaton Simons, Changes

## Changes

Now, you want me  
to need you  
I know  
Incompletely  
So sweetly  
You go  
No change  
in sight  
You're still  
uptight  
Don't close your eyes  
on me  
So, uniquely  
Concretely  
Secure  
Pressed against me  
So tensely  
Assured  
No change  
in sight  
You're still  
uptight  
Don't close your eyes  
on me  
Love is going out of style  
Please stop wasting time  
Forgotten for a while  
My heart stops on a dime  
What a crime  
Boo Hoo  
Still no change  
in sight  
You're still  
uptight  
Don't close your eyes  
On me
