## Keep In Touch, It's Just Like Taking Off A Band-a

I hope the sun will shine bright every day But I've been deeper in you than those UV rays I've got 42 dollars and no common sense Another notch on my belt, I'll thank you for it

So lay out a little longer just a bit a more Tan as long as you want, never be as black as your heart Take some pics in bikinis of your mutated skin Did I ever tell you that I hate all of your friends.

You say "Rock-bottom was his matress!" I say, "We'll never get past this!" You say "Rock-bottom was his matress!" I say, "We'll never get past this!" never get past this....o

So next time you make your way to the beach Tie a cinder block to your feet, and dive right in Youll never win.
So next time you make your way to the beach Tie a cinder block to your feet, and dive right in Youll never win.
Youll never win Youll never ever win.
So next time you make your way to the beach Tie a cinder block to your feet, and dive right in Youll never win.

Cant treat hearts like a nail But he nailed you You had the heart for that (x3)
