

Keep Of Kalessin, Nectarous Red

Give yourself to me -
I'll give you the ultimate of pleasures
Let me feel your every muscle shiver
as my tounge caress you,
as my arms embrace you...
As I drink your life away
You have the sweetest taste of all
all my senses numbed by lust
Feel me swim up-stream inside you
you're craving for more
your nails tearing open my back.
These minutes of oneness
These minutes means years to me
"Oh, such nectarous liquids...
Your life melts like ambrosia on my lips".
...and your body falls cold before me.
I shall bring flowers to your grave...
