

# Kehlani, Honey

I like my girls just like I like my honey, sweet  
a little selfish  
I like my woman like I like my money, green  
a little jealous  
cause I'm a beautiful wreck  
a colorful mess, but I'm funny  
I'm a heartbreak vet  
with a stone-cold neck,  
yes, I'm charming

all the pretty girls in the world  
but I'm in this space with you  
colored out the line  
I came to find  
my fire was fate with you  
fly great escapes with you

I countdown to the clock, saw you awake  
don't walk away, or would you wait for me?  
I go out to the bar, fuck hanging with the stars  
don't even have a car, but you would wait for me

all the pretty girls in the world  
but I'm in this space with you  
colored out the line  
I came to find  
my fire was fate with you  
fly great escapes with you

I like my girls just like I like my honey, sweet  
a little selfish  
I like my woman like I like my money, green  
a little jealous  
cause I'm a beautiful wreck  
a colorful mess, but I'm funny  
I'm a heartbreak vet  
with a stone-cold neck,  
yes, I'm charming
