

Kehlani, Nunya (feat. Dom Kennedy)

why you asking about x, y, z?
why you worried about who was fucking me?
who used to ride in my suv?
it's not of your
none of your
none of your biz

calling my girls to check where I been
if you needed to know
I'd drop a pin
keeping to yourself really ain't a sin
but you can't
you can't let me live

you put on a show
cause you don't want the world to know
that you lost the girl
who got it on her own
it'd be good for toy to let it go
let it go, let it go

ain't nunya your business
ain't nunya your business
to know who I am with
oh nah, none of my shit
ain't nunya your business
ain't nunya your business
to know who I am with
oh nah, none of my shit
none of my shit

don't worry about who it is now
don't worry about if he got kids bow
it he's richer than you
slicker than you

his net worth bigger than you
and his dick ain't thicker than you
it's on me
not you, not you
every battle you go home to
would be bad if she gon' leave you
when she find out all that you do

you put on a show
cause you don't want the world to know
that you lost the girl
who got it on her own
it'd be good for toy to let it go
let it go, let it go

ain't nunya your business
ain't nunya your business
to know who I am with
oh nah, none of my shit
ain't nunya your business
ain't nunya your business
to know who I am with
oh nah, none of my shit
none of my shit

just left Melrose got it waxed, done
now I am on the other side of the track
if the grass greener lemme know

these thoughts in my head
gotto let 'em out
I know it's due to the girls
I let stick around
my heart on my sleeve
check the tag
it's priceless and tat lil price is

put ne on a slight binge
had me switching my planes
can't worry about the past and
you out here holdin' hands

I shoulda knew that was coming
I know a few that did done it
y my lonely when they see me around town
I am all business
no feeling, not now
