

Kehlani, wondering/wandering (ft. Thundercat and

Took time just to enjoy it
I was in my own movie
Cinematic, needed scorin'
Major decisions
Divine intervention
Try to release control ('Trol)

I had to learn to trust and fall
Receive it all, surrender
The push and pull to break the wall
Rebuild it all, it found me

Wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Wonderin')
Found me wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Found me)

Trippin', and wanna say
Like when you think you know it all
Gifted, but not gracious
Prayin' for patience

I had to learn to trust and fall
Receive it all, surrender
The push and pull to break the wall
Rebuild it all, it found me

Wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Wonderin')
Found me wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Found me)

Wondering, I surrender
You found me, now I'm livin' free
Wondering, I surrender
(Wonderin', I surrender, I surrender, wonderin')

Wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Wonderin')
Found me wonderin', wanderin', wonderin'
It left me wonderin', wanderin', wonderin' (Found me)

Water
A blue, a blue water
Blue water
There's boats
Blue water
And, and blue water
