

Keira, No Business On The Dancefloor (Finlandia)

Hey, just move your body
Like, like, you're somebody
Shake it or you got no, business on the dance floor

The crowd is going
You've only started
Don't shy away like
It's not your party

You better be bossy
We ain't got all night
All night
All night

Baby you just gotta
Try-ya a little harder
Pop it like champagne bottles
Yeah

Swing it like harry potter
Sweating that salty water
Looking all super model
Yeah

Hey just move your body
Like, like you're somebody
Shake it or you got no business on the dance floor
Eh just work your body
Yeah bring out your Cardi
Show them that
They got no business on the dance floor

Show them that
They got no business on the dance floor

Hey moneymaker
Stop with the teasing
Some bad behavior
Oh lemme see it
Outplay the players
Roll with the feeling
Feeling feeling

Hey just move your body
Like, like you're somebody
Shake it or you got no business on the dance floor
Eh just work your body
Yeah bring out your Cardi
Show them that
They got no business on the dance floor
