

# Keisha White, Someday

i've got an attitude  
i don't ever cry  
so don't expect me to  
but gonna tell you why  
i know my destiny  
oh because in my dreams i see  
there'll be a better place  
staring right in front of me  
i will do what i can do  
i will live what i can live  
i will be all i can be  
to make this world better for me  
i can make my world come true  
all my dreams will see me through  
and because life won't get me down  
my dreams will turn things all around  
with a smile upon my face  
i can see a better place  
doesn't matter what may come my way  
oh no no,  
believe me now, i will win some day  
you see the real me i'm not the enemy  
i just work for what i want and who i want to be  
and its achievable, not unbelievable  
just open up your eyes and see the world that i can see  
i will do what i can do  
i will live what i can live  
i will be all i can be  
to make this world better for me  
i can make my world come true  
all my dreams will see me through  
and because life won't get me down  
my dreams will turn things all around  
with a smile upon my face  
i can see a better place  
doesn't matter what may come my way  
oh no no,  
believe me now, i will win some day  
some day, some day.. yea  
i will do what i can do  
i will live what i can live  
i will be all i can be  
to make this world better for me  
i can make my world come true  
all my dreams will see me through  
and because life won't get me down  
my dreams will turn things all around  
with a smile upon my face  
i can see a better place  
doesn't matter what may come my way  
oh no no,  
believe me now, i will win some day  
some day, some day  
yea, some day, some day, some day..
