

Keith Anderson, Pickin' Wildflowers

Hey baby whatcha doin' this evening?
Can you meet me down at the railroad tracks?
I got Tom Petty playin' in my Silverado,
And I iced down a six-pack.

Hey Daisy don't you worry 'bout your mama,
Like 007 we can keep it covert.
Undercover on the ground by the water
Gonna get a little peace... on earth.

[Chorus:]
Baby whatcha say we go pickin' wildflowers?
Got a spot way back in the woods.
Sneak away for a couple of hours,
You and me baby, pickin' wildflowers.

Hey baby, Mother Nature is waitin'
And love's bloomin' like a cherry tree.
Let's buzz around, maybe do some pollenating,
Dive on in like honey bees.

[Repeat Chorus]

Take a trail ride if you know what I mean.
Hey baby won't you come with me?

[Repeat Chorus X2]
