

Keith Murray, Ride Wit Us

(feat. Redman, Erick Sermon, Too \$hort)

[Keith Murray (All)]

Yeah, ride with me, yeah!

Yeah! Ride with me

Roll ya down windows and ride with me

(Ride with us) Yeah!

Bitch (Ride with us) Yeah!

(Ride With us)

Roll up ya windows and (Ride with us)

[Verse 1: Too \$hort (Erick Sermon)]

Let's smoke this Oakland Indo don't roll down the window

Start the car we ain't going to far

You know that big booty girl you're always fucking wit?

She got a sister, I really want to get

Some Georgia girls, some College Park

You already fucked when we get to start it off

Park in a drive-way, it won't take long

Do it like that it goes, on and on

You know this the kind of the shit I know you want

E made the beat, let me show you something (Yeah)

Quite a few hate us, wanna see us play out

But we got the formula to get paid now (Word up)

You can't stand in the way of success

We got the same job but you make much less

I remember how it used to be (Like what?) before we had crack

If you had a few hundreds in your pocket that was fat

[Chorus: Erick Sermon (All) {Redman}]

If you feel like smoking then (Ride with us) {Yeah!}

Hop the train with no token (Bitch) (Ride with us) {Yeah!}

If ya don't give a fuck then (Ride with us)

[Keith Murray]

Roll ya windows down and (Ride with us)

[Erick Sermon (All) {Redman}]

If ya got +5 On It+ then (Ride With us) {Yeah!}

And if ya hate fake niggas then (Ride with us) {Yeah!}

And if ya cool pull triggers then (Ride with us)

[Redman (All)]

Roll up ya windows and (Ride with us)

[Verse 2: Keith Murray (Redman)]

Aiyyo, I lick two shots it's heard around the world

Check out our forty and a blunt can take a nigga girl (Take a nigga girl)

Like E ? don't say nothing I'm hunting (Word)

On the microphone, it's the eve of destruction (Yeah!)

As the world goes around like passion you get flat in a orderly fashion

You was warn like a coming detraction

I got playa hated, felt liberated

Put em on a burner cause nigga violated (Word! Word!)

We scamper like guide dogs through the fog

If ya feel like you wanna hop, leap like a frog (Like a frog!)

Like a Sergent General, get busy chief (Word up)

The fastast way to spell wrong relief is Keith! (Keith!)

I leave you ass'd out like a cocain droute

Aiyo, can I get a witness like Andre Crotch? (Crotch!)

Niggaz need to stop frontin, bitches need to stop stuntin (Word!)

Cause they know fuck well they can't stop my production

[Chorus: Erick Sermon (All) {Redman}]

If ya like smoking then (Ride with us) {Yeah!}
Hop the train with no token (Ride with us) {Yeah!}
If ya don't give a fuck then (Ride with us)

[Redman {Too \$hort} (All)]

[Erick Sermon (All)]

[Verse 3: Redman {Erick Sermon}]
Aiyyo, I got the, forty acres without the fucking mule
Doc Ike Turner, giving mic's audio abuse {Word up}
I smack a big mouth bitch, and her baby sitter and her lesbian friend, and
that nigga with her
I don't give a fuck I smack blood outta midget
My tactics make Evil D say "Come on, kick it!"
A black five with rims which could spot me in
When I die, I snatch you like Doc Kervorkian
So turn the beat up while Narcs got me on sweep up (Uh-huh)
I'm lucky, I usually tote more guns than Peter (Ha-ha)
I'll fuck you up till where you forehead and cut meat up
You wanna box I +Square+ more than Madison Arena (Ding!)
Backstabbing bitches and niggas, EAT A DICK!
Plus, you never heard the Doc do nothing like this
Backstabbing bitches and niggas, EAT A DICK!
Plus, you never heard the Doc do nothing like this

[Chorus: Erick Sermon (All)]
If ya like smoking then (Ride with us)
Hop the train with no token (Bitch) (Ride with us) (Yeah!)
If ya don't give a fuck then (Ride with us)

[All]
Roll ya windows down and ride with us

[Erick Sermon (All) {Redman}]
And If ya got +5 On It+ then (Ride With us) {Yeah!}
And if ya hate fake niggas then (Ride with us) {Yeah!}
