

# Keith Richards, Rockawhile

Rockawhile  
Baby stay yeah  
I don&#039;t need to lie  
You can believe it or leave it  
Baby won&#039;t you stay with me  
And rockawhile  
Hold your breath - Babe  
Close the shop, close the shop, Yeah

Rock a while  
Baby come up here and  
Rock a while

Stay with me, C&#039;mon, Yeah  
Tell me what you want now  
I don&#039;t need to lie to you  
Stay with me  
Baby, baby stay with me and  
Rockawhile

[Ad lib verses]  
It&#039;s no cheaped shot there  
Baby&#039;s just a square, yes she is

[Verse 5,6 etc. ad lib]

Rockawhile  
Come over  
Just Rockawhile  
Have to rock in style

No strings attached  
Just me and  
Rockawhile  
Just you

C&#039;mon now baby stay with me  
Stay yeah  
Tell me what you wanna do  
Stay yeah

And Rockawhile  
No strings attached  
Stay with me awhile  
Tell me all your troubles again
