Keith Richards, Take It So Hard

Giving up lovin&#039; - easy to do
People so pityful
They never come through
Honey, honey, honey I ain&#039;t that way

You want a little bit - once in a while
Come on and get a bit

You shouldn&#039;t take it so hard - Yeah
You shouldn&#039;t take it
You shouldn&#039;t take it so hard - Yeah

Take a look around you - Tell me, what do you see
People with little bits
Try, tryin&#039; to smile
Most of what you&#039;ve gotten is free - Yeah

You shouldn&#039;t take it so hard - Yeah
You shouldn&#039;t take it
You shouldn&#039;t take it so hard - Yeah

Yank it up baby
Or get yourself a new name
You want a little bit once in a while
Yeah you got a taste for it

You shouldn&#039;t take it so hard - Yeah
You shouldn&#039;t take it
You shouldn&#039;t take it so hard - Yeah
