

Keith Sweat, Merry-Go-Round

(Merry go round and round)
Ho, ho, no
Im sick and tired of goin round
(Merry go round and round)
Why you wanna do this to me, baby
Heyno, no, no, no, no, no, no, no

It must feel good to you, baby
To hurt me over and over again, yeah, baby
And it must feel good to you, baby
To see me cry, yeah, girl

You say you will, you say you wont
Baby, why dont you make up your mind
You say you do, you say you dont
Baby, baby, please be kind

You love me now, and then you dont
Baby, why do you keep playin these games
I feel like Im on a merry go round
Goin round and round and round and round and round

(Merry go round and round)
(Merry go round and round)
(Merry go round and round)
Round and round and round and round I go, baby
Where Im gonna stop, baby, only you know

Didnt I give you everything, baby
You ever wanted, girl, yes, I did
And all I ever wanted to do, baby
Is satisfy your world, yeah, yeah, baby, baby

I gave you this, I gave you that
But it didnt mean anything
When you love someone right
You dont expect them to do you wrong, baby, baby, babe

Why did I do to deserve this pain, girl
You just keep doin this same thing over and over again
I feel like Im on a merry go round
Goin round and around and around and around and around and around

(Merry go round and round)
(Merry go round and round)
(Merry go round and round) Merry go round, baby
Round and round and round and round I go, baby
Where Im gonna stop, baby, only you know

(Merry go round and round) Merry, merry go round
(Merry go round and round) I just cant understand it, baby
(Merry go round and round)
Why do you wanna treat me like you do, girl, I dont know, baby
(Merry go round and round) Everything you wanted I always gave you, girl
(Merry go round and round) You didnt have to want for nothin
You didnt have to ask for nothin, baby
(Merry go round and round) I tried to be the best that I could be, baby
(Merry go round and round) And now you treat me like Im nobody, nothin, baby
(Merry go round and round) Life is, life is so, so unfair

If you wanna play, circus, girl, I dont wanna be your clown, girl
(Merry go round and round) No, n-no, no, no, no, no, no, no, no, no, baby
I dont want the sideshow to begin, cause I dont want you to let me in
(Merry go round and round)

Baby, sometimes people dont understand what they have
Until its gone
Some people dont know somebody loves them until its too late, baby
You better, you better wake up, girl, and realize what you got, babe
You better understand that, you better understand that youre my woman
Im your man, babe
I want only you, baby

(Merry go round and round)
And Ill do anything you want me to do, babe, oh, yes, I will, babe
All you gotta do is ask me, baby, baby, baby
If youre good to me
(Merry go round and round)
Then I know Ill be good to you if you love me, baby, yeah
Then Ill surely, surely, surely love you, baby, baby, babe

Understand what I feel
Youve got to understand, my love is so real
Oh, baby (Merry go round and round), oh, oh, baby, baby
Oh, baby, baby (Merry go round and round)
Darlin, darlin, darlin, oh, sugar, babe
Darlin, baby, baby, baby (Merry go round and round)
Oh, round (Merry go round and round), babe
(Merry go round and round)
Oh, you got to let me know, baby, if Im wastin my time
(Merry go round and round) If I am, baby, if I am, baby, if I am, baby
Then Ill leave you alone, girl, yes, I will
(Merry go round and round)
Merry go round and round and round and round and round
