

# Keith Sweat, Million Bucks (Interlude)

[Lil' Mo]

It's not as easy as it seems (whoa oh)  
'cause I'm not out here looking for a hit and run  
I want someone who can love me for me  
That's why I'll trade

[Lil' Mo] (Keith)

I'll trade a million bucks  
For someone's love who don't come with a price (yeah, yeah, yeah)

I'll trade in all my cars (oh)

For someone who will love me for life (tell 'em Mo, tell 'em Mo)

They can take away my platinum plaques

That fame and fortune won't mean a thing (it won't mean a thing)

I'll trade a lifetime just to find someone

Who will love me just for me
