

Keith Urban, Days Go By

I'm changing lanes
I'm talking on the phone
I'm drivin' way to fast
And the interstate's jammed with
Gunnars like me afraid of coming in last
But somewhere in the race we run
We're coming undone

Days go by
I can feel 'em flying
Like a hand out the window in the wind as the cars go by
It's all we've been given
So you better start livin' right now
'Cause days go by

Out on the roof just the other night
I watched the world flash by
Headlights, taillights running through a river of neon signs
But somewhere in the rush I felt
We're losing ourselves

Days go by
I can feel 'em flying
Like a hand out the window in the wind as the cars go by
It's all we've been given
So you better start livin' right now
'Cause days go by

We think about tomorrow then it slips away
We talk about forever but we've only got today

And the days go by
I can feel 'em flying
Like a hand out the window
As the cars go by

It's all we've been given
So you better start livin'
You better start livin'
Better start livin' right now

Cause days go by
I can feel like 'em flying
Like a hand out the window in the wind as the cars go by

It's all we've been given
So you better start livin' right now

Cause days go by
These days go by

So take 'em by the hand
They're yours and mine
Take 'em by the hand
And live your life
Take 'em by the hand
Don't let 'em all fly by

Come on, Come on now
Don't you know the days go by
