

Keith Urban, Sweet Thing

When i picked you up for our first date baby
Well, your pretty blue eyes, they were drivin' me crazy
And the tiny little thought that was so amazing
Is they were lookin at me.

I held open the car door for you then you climbed
Inside and slid on over

To the other side.. i thought my, oh my..

Sweet thing

The moon is high and the night is young

Come on and meet me

In the backyard under the cottonwood tree

It's a good thing and i'm wishin

C'mon sweet thing

Won't you climb on out of your window

While the world is sleepin

Cause you know i need you

And there's no way i'll be leavin

Til we're kissing on the porch swing

Oh my little sweet thing

Yeah i know i'm gonna see you first thing tomorrow

But i just couldn't wait so i had to borrow

Uncle jake's mustang, its his favorite car

And so i can't stay long..

Standin here feeling like a love struck romeo

All i wanna do is hold you close and steal a little

More time, is that such a crime?

Sweet thing

The moon is high and the night is young

Come on and meet me

In the backyard under the cottonwood tree

It's a good thing and i'm wishin

C'mon sweet thing

Won't you climb on out of your window

While the world is sleepin

Cause you know i need you

And there's no way i'll be leavin

Til we're kissing on the porch swing

Oh my little sweet thing

Sweet thing, sweet thing..

Oh my sweet thing

The moon is high and the night is young

Come on and meet me

In the backyard under the cottonwood tree

It's a good thing and tell me i'm not dreamin

C'mon sweet thing

Won't you climb on out of your window

While the world is sleepin

Cause you know i need you

And there's no way i'll be leavin

Til we're kissing on the porch swing

Oh my little sweet thing

Oh cmon sweet thing, sweet thing, sweet thing..

Yeah, cmon now a little now..

Do do do do do do do do do do do do do do

Oh my little sweet thing, yes you are

Do do do do do do do do do do do do do do
