

# Keith Urban, Tonight i wanna cry

"Tonight I Wanna Cry"

Alone in this house again tonight

I got the TV on, the sound turned down and a bottle of wine

There's pictures of you and I on the walls around me

The way that it was and could have been surrounds me

I'll never get over you walkin' away

[Chorus:]

I've never been the kind to ever let my feelings show

And I thought that bein' strong meant never losin' your self-control

But I'm just drunk enough to let go of my pain

To hell with my pride, let it fall like rain

From my eyes

Tonight I wanna cry

Would it help if I turned a sad song on

"All By Myself" would sure hit me hard now that you're gone

Or maybe unfold some old yellow lost love letters

It's gonna hurt bad before it gets better

But I'll never get over you by hidin' this way
