Keith Whitley, Don't Close Your Eyes

I know you loved him
A long time ago
Even now in my arms
You still want him I know
But darling this time
Let your memories die
When you hold me tonight
Don't close your eyes

Don't close your eyes
Let it be me
Don't pretend it's him
In some fantasy
Darling just once
Let yesterday go
You'll find more love
Than you've ever known
Just hold me tight
When you love me tonight
And don't close your eyes

Maybe I've been a fool Holding on all this time Lyin' here in your arms Knowing he's in your mind But I keep hoping some day That you'll see the light Let it be me tonight Don't close your eyes

Don't close your eyes
Let it be me
Don't pretend it's him
In some fantasy
Darling just once
Let yesterday go
You'll find more love
Than you've ever known
Just hold me tight
When you love me tonight
And don't close your eyes

Don't close your eyes
Let it be me
Don't pretend it's him
In some fantasy
Darling just once
Let yesterday go
You'll find more love
Than you've ever known
Just hold me tight
When you love me tonight
And don't close your eyes

Just hold me tight When you love me tonight And don't close your eyes
