

# Keith Whitley, I Wonder Do You Think Of Me

If you drive around  
Back in our old hometown  
I wonder do you think of me  
When you drive by a school  
Do you remember two fools  
I wonder do you think of me  
And remember the park  
Where you struck the spark  
To a fire that's still burning  
Oh, in my heart  
That old graduation day  
You just drifted away  
I wonder do you think of me  
And remember those games  
Those cold football games  
I was your hero  
Though I seldom played  
Back then could you see  
What our future would be  
I wonder do you think of me  
And the classes we missed  
Caused by a kiss  
I can tell you that I've never  
Felt like that since  
I don't know if you would  
But I'd go back if I could  
I wonder do you think of me  
I still love you  
Do you think of me
