

Keke Palmer, True To Your Heart

Baby, I knew at once that you were meant for me
Deep in my soul I know that your my destiny
Though you're unsure why fight the tide
Don't think so much, let your heart decide

Baby, I see your future and it's tied to mine
I look in your eyes and see you searching for a sign
But you'll never fall till you let go
Don't be so scared of what you don't know

True to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my love
Open your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me

Someone ya know is on your side, can set you free
I can do that for you if you believe in my
Why second-guess what feels so right
Just trust your heart
And you'll see the light

True to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my love
Open your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me

You know its true
Your heart knows what's good for you
You know its true
It'll see you through

Boy, my heart is driving me to where you are
You can take both hands off the wheel and still get far
Be swept away
Enjoy the ride
You won't get lost
With your heart to guide you

True to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my love
Open your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me
To me to me
I know it's gonna lead you straight to me
I know it's gonna lead you straight to me
Yeah
