

Kelis, 4th Of July (Fireworks)

Didn't think I needed you
Never seemed to
Now I'm living proof
And now I'm brand new
Rename me

Baby, you can claim me
I've been changed, see
You make me over
You make me over
Didn't think I needed you
Never seemed to
Now I'm living proof, living proof
Nothing I'll ever say or do
will be as good as loving you
[4x]

You make me high [4x]
You make me high (And I don't wanna come down) [4x]

Didn't think I needed you
Never seemed to
Now I'm living proof
And now I'm brand new
Rename me
Baby, you can claim me
I've been changed, see
You make me over
You make me over
Didn't think I needed you
Never seemed to
Now I'm living proof, living proof

Nothing I'll ever say or do
will be as good as loving you [4x]

You make me high
You make me high
And I don't wanna come down
You make me
Just like the sky
Like the 4th of July
