

# Kelis, Glow

(feat. Raphael Saadiq)

[verse 1:]

There's a wild streak in me  
But it's only for u to see  
Look to my heart, cause u know I'm ready to start  
I guess I'm tryin to say, yes I've been waiting for this very day  
Hope ur goin too slow, cause we're bout to shoot the sun a-glow

[hook:]

How do we make it, I do know  
If there was ever a problem they had to go  
Sometimes it's kinda hard yes I do agree  
See  $1 + u$  just equals me  
They'll just watch us glow, they'll just watch us glow

[verse 2:]

Now in love something crazed ,  
Exude from ur eyes when they are fixed on me & like the eternal flame,  
We have a fire that won't ever stop burning  
There's a power in numbers baby,  
But 2 is deemed the perfect team  
Me & u equals 2  
We will battle the masses baby, but we will claim the victory

[hook:]

How do we make it, I do know  
If there was ever a problem they had to go  
Sometimes it's kinda hard yes I do agree  
See  $1 + u$  just equals me  
They'll just watch us glow, they'll just watch us glow

[bridge:]

Some said we would never change.  
Look at us now people tried to tear it all apart,  
Boy u stole my heart so quickly
