Kelis, Glow (Feat Rapheal Saadiq)

(verse 1:)
There's a wild streak in me
But it's only for u to see
Look to my heart, cause u know I'm ready to start
I guess I'm tryin to say, yes I've been waiting for this very day
Hope ur goin too slow, cause we're bout to shoot the sun a-glow

(hook:)

How do we make it, I do know
If there was ever a problem they had to go
Sometimes it's kinda hard yes I do agree
See 1 + u just equals me
They'll just watch us glow, they'll just watch us glow

(verse 2:)

Now in love something crazed,
Exude from ur eyes when they are fixed on me & Dike the eternal flame,
We have a fire that won't ever stop burning
There's a power in numbers baby,
But 2 is deemed the perfect team
Me & Dike the masses baby, but we will claim the victory

(hook:)

How do we make it, I do know
If there was ever a problem they had to go
Sometimes it's kinda hard yes I do agree
See 1 + u just equals me
They'll just watch us glow, they'll just watch us glow

(bridge:)

Some said we would never change. Look at us now people tried to tear it all apart, Boy u stole my heart so quickly
