

# Kelis, Rumble

It's the strangest thing  
To have you back in my face  
With all those years passed  
I guess I just got used to my space

I don't know how to feel  
This whole thing seems so surreal  
So you keep one foot out the door  
I know I said 'leave' but, baby, don't go

We got so much history  
I hurt you, you hurt me  
No, we don't need therapy  
What I need is you here

And even though I know I'm right  
Just like some lapse in my memory  
You're back to me, hand on the door  
I want you, baby, don't go

I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
My keys

You got so many issues but I guess I can top me, too  
I'm just fine by myself  
But I don't know who's gonna help you  
I'm not no secretary, I'm nobody's Major D

But like a lapse in my memory  
I want you, baby, don't go  
Baby, don't go, baby, don't go  
Baby, don't leave, yeah  
Stay the night, baby  
Don't go, baby, oh, hey, baby, don't, baby, don't go

I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
My keys

I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
Oh, I'm so glad you give back my keys  
My keys
