

Kelis, Wouldn't You Agree

(feat. Justin Vince)

[Justin Vince]

When I first met you
You stood by my side
And when you asked me to be yours
You made me cry
And so I was prepared
To take all the blows at the chin
But you never mentioned cheating
Please tell me what happened

[Kelis & Justin Vince]

What makes you think?
You get away with that
Talking to my best friend
Behind my back
Look what you did to us
Look what you did to me
What a wonderful loss
Wouldn't you agree?

[Kelis]

She introduced me to you
Said you were just friends
She assured me you were the one
For me until the end
Now I should have known
By the magic between you two
That angel faces like yours
Can lie too, can lie too

[Kelis & Justin Vince]

Look what you did to us
Look what you did to me
What a wonderful loss
Wouldn't you agree?
Wouldn't you agree?
(Na, na, na, na, na)
Wouldn't you agree?
(Na, na, na, na, na)
Wouldn't you agree?
(Na, na, na, na, na)
Wouldn't you agree?
(Na, na, na, na, na)
Wouldn't you agree?
(Na, na, na, na, na)

[Kelis]

When I see my friends
They've got to know

[Justin]

I not only lost a friend
But now my heart's about to explode

[Kelis (Justin)]

Now there's something I'd like
To say before I make my outro
(Oh God) Oh God
(Do you see that?)
Did you see that?
(There they go)
There they go

[Kelis (Justin)]
Why would you do this to me? (Yeah)
You can't lie in my face
(I thought you were my best friend, yeah)
Behind my back
Look at what you've do to me
(How could you do this to me?)
Can't believe what you've done to me
(How could you do this to me?)
Wouldn't you agree, yeah
(This can not be, he was my friend)
Love loss
