

# Keller Williams, Hypnotized

Somewhere in the summer lights  
The wind blows so gently through the cloudy skies  
I see the moon shining in your eyes  
Hypnotized, Hypnotized'  
Hey girl what's on your mind  
I want to love you all the time  
Can't you tell me what you want me to lose  
My love is a song to you, to you

Sometime we make the sun laughing together again as one  
A rhythm of a changing tide  
Hypnotized, Hypnotized'
