

Keller Williams, Love Handles

I'm packing the love
I've got it hanging off of me
It comes from above
I keep it down inside of me

It comes in different shapes and sizes
Lack of willpower, compromises
Lack of excercises
I'm packing the love

So if you need a hand hold
Baby you can take hold
Of my love handles
If you need to get your love on
Baby you can grab on
To my love handles
My love handles

I'm packing the love
I don't think its a bad thing
It keeps me warm in the winter
It makes me sweat in the spring
It's a double chin love
I have grown to accept it
I love the sweet taste of sweet tasting lvoe
It's so easy to digest it

So if you need a hand hold
Baby you can take hold
Of my love handles
My love handles
If you need to get your love on
Baby you can grab on
To my love handles
My love handles

Well the man on the TV tells me
I've got so much love I can stand to lose some
So I changed the channel
How could I survive without the sweet taste
Of sweet tasting love
Up the river without a paddle

I'm packing the love
I got enough to go around
I've got so much in the country
I don't ever have to go to town

It comes in different shapes and sizes
Lack of willpower compromises
Lack of excersizes
I'm packing the love

So if you need a hand hold
Baby you can take hold
Of my love handles
My love handles

If you need to get your love on
Baby you can grab on
To my love handles
My love handles
More of me to love
