

# Kelli Ali, Beautiful Boy

Sweet dreams  
Night scenes  
Play on my mind  
Full moon at high noon  
Must be a sign

Beautiful boy  
Dance in fire  
Beautiful boy  
Touch the flame

I see danger  
I see a smile  
Lonesome stranger  
Stay for a while

Beautiful boy  
Dance in fire  
Beautiful boy  
Kiss the flame  
Beautiful boy  
Take me higher  
Beautiful boy  
Say my name

Love is sacred  
Love is highest sanctum  
Say my name and I'll be in your arms

Beautiful boy  
Beautiful boy  
Beautiful boy  
Beautiful boy

Beautiful boy  
Dance in fire  
Beautiful boy  
Touch the flame  
Beautiful boy  
Take me higher  
Beautiful boy  
Say my name
