Kelli Ali, Voyeur

got my hands in my pockets and a head for romance there's a pill on my tongue you wanna dance?

got my hands in my pockets and a head for romance there's a pill on my tongue you wanna dance?

come on brother, I know you're dying to lose your senses set your soul free you're the ether, man I ain't lying it's so expensive, all this beauty yeah alright

see the moon in my eye so you think I'm a spy but I'm just a voyeur you wanna fly?

come on sister, you should be flying to lose your senses set your soul free you're the ether, man I ain't lying it's so expensive, all this beauty yeah alright

nothin' goes deeper than my love nothin' goes deeper than my love nothin' goes deeper than my love nothin' goes deeper baby

come on brother, I know you're dying to lose your senses set your soul free you're the ether, man I ain't lying it's so expensive, all this beauty yeah alright

come on sister, you should be flying to lose your senses set your soul free you're the ether, man I ain't lying it's so expensive, all this beauty yeah alright
