

# Kellie Coffey, At The End Of The Day

(Kellie Coffey/Brett James)

Throw the covers off my head  
Shake my body out of bed  
Stretch my arms up  
And look out the window  
Sun is rising  
birds are singing  
I am greeted by the gift of another new morning  
And I know tonight as my head hits the pillow  
I will ask myself as I look out the same window  
At the end of the day  
Did I laugh and dance enough  
Did I tell my friends how much they really mean to me  
At the end of the day  
Did I really push myself  
Or was I too afraid  
To give my heart away  
At the end of the day  
I wanna learn I wanna live  
take some big chance and just trust in my instincts and my intuition  
If I win or if I lose  
Any road that I choose  
I will drive all the way

I wanna know tonight as I fall fast asleep  
I am one day closer  
To where I wanna be  
At the end of the day  
Did I laugh and dance enough  
Did I tell my friends how much they really mean to me  
At the end of the day  
Did I really push myself  
Or was I too afraid  
To give my heart away  
At the end of the day  
To never forget what matters most  
To never have to answer noooooo  
When I ask myself  
Did I laugh and dance enough  
Did I tell my friends how much they really mean to me  
At the end of the day  
At the end of the day  
Did I really push myself  
Or was I too afraid  
At the end of the day
