

Kellie Coffey, I Just Knew

No stars fell from the sky
The first time I looked in your eyes
No moonlight shining down
My feet never left the ground
No roses and a bottle of wine
No arrow or a neon sign
No heavenly angels sang on high
So how did I know it was right

Chorus:

I just knew
Positively certain that you were the one for me
I just knew
Definitely sure in love and anyone could see
We were meant to be
A part of history made for me and you
It was already set from the moment we met
I just knew

Don't get me wrong I could feel the heat
My heart beat fast, I could barely breathe
It was a genuine, pre-designed epiphany
That came over me
Maybe it's intuition
But I've learned to listen to my heart
'Cause it was you from the start.
