

# Kellie Coffey, What It's Like To Be Me

(Shaye Smith/Ed Hill)

I already know,I already see  
You've already given away the big secret you keep  
It's that smile unmistakable smile  
That you try but can't hide  
Now you know

What it's like to be me  
You've fallen you're stallin your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me

Look into my eyes baby can't see  
I only get a couple of hours of sleep between dreams  
About you,yeah,they're always 'bout you  
I can tell your surprised

Now you know

What it's like to be me  
You've fallen you're stallin your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me

You're afraid to tell me,afraid I might  
Not feel the same you think I don't know what it's like  
But that's just it

What it's like to be me  
You've fallen you're stallin your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me
