

# Kellie Coffey, Whatever It Takes

Strong, strong as a mountain  
the one you can count on, that's how my love is for you  
Sure as forever we'll be together  
'till the skies no longer blue  
I know it won't always be easy, when we need to be strong baby believe me

Chorus:  
I'll do whatever it takes to hold on to your love  
Swim every ocean if that's not enough  
Walk to the end of the earth through the cold pouring rain to hold on to your love  
I'll do whatever it takes

Brave, I'm not that brave  
But there's not a day I wouldn't take on the world for you  
And fight, baby I'd die  
There's nothing I wouldn't go through just for you  
My heart is eternally yours, just to be in your arms  
Is what I'm living for

Chorus:  
I'll do whatever it takes to hold on to your love  
Swim every ocean if that's not enough  
Walk to the end of the earth through the cold pouring rain to hold on to your love  
I'll do whatever it takes

Chorus:  
I'll do whatever it takes to hold on to your love  
Swim every ocean if that's not enough  
Walk to the end of the earth through the cold pouring rain to hold on to your love  
I'll do whatever it takes

Ooooo.....
