

Kelly Clarkson, A Moment Like This (Single Version)

What if I told you it was all meant to be
Would you believe me
Would you agree
It's almost that feelin'
We've met before
So tell me that you don't think I'm crazy
When I tell you love has come here now

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Ohh, I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Everything changes
But beauty remains
Something so tender
I can't explain
Well i maybe dreaming
But 'till I awake
Can we make this dream last forever
And I'll cherish all the love we share

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Ohh, I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this

Some people wait a lifetime

For a moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Ohh, I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Ohh!
Like this!

Ohh!
I can't believe it's happening to me!

Some people wait a lifetime
For a moment like this

Ohh
