

# Kelly Clarkson, Can I Have A Kiss

Excuse me for this, I just want a kiss,  
I just wanna know what it feels like to touch  
Something so pure, something I'm so sure of,  
What it feels like to stand outside your door...  
I'm unworthy, I can see you're above me,  
but I can be lovely, if given the chance  
Don't move, I wanna remember you just like this,  
Don't move, it's only a breath or two between our lips  
I know why you left, I can't blame you myself,  
Must be hard living with ghosts in such an empty shell,  
I tried to warn you, been a mess since you've known me,  
I can't promise forever, but I'm working on it,  
If I can't hold you, can I give you a kiss?  
Can I have a kiss?
