

# Kelly Clarkson, Don't Play That Song

Dont play that song for me  
'Cuz it brings back memories  
Of the days that I once knew  
And all the days that I spent with you  
Oh no, dont let it play (oh no)  
It fills my heart with pain (it hurts)  
Please stop it right away  
'Cause I remember just what it said  
It said darling ( darling I)  
You know that ya lied (darling I)  
Boy, ya know that ya lied (darling I)  
You know that ya lied (ya lied) ya lied (ya lied) ya lied  
I remember on our first date  
You kissed me then you walked away  
And I was only 17  
And I never dreamed that he could be so mean  
Oh darling (darlin...oh no)  
Dont ya play it no more (play it no more)  
Dont you dare play that song (dont play it no more)  
oooo oooo oooo oh no (ya lie, ya lie) YA LIE...
