

# Kelly Clarkson, Good As Hell

Cause he better know my worth  
There's so much that I deserve,  
But I ain't worried now  
I'ma let my hair down  
he been trying it  
but not today  
so girl if he don't love you anymore

walk your fine ass

out the door

so girl if he don't love you anymore  
door  
feeling good as hell!
