

Kelly Clarkson, Run Run Run (ft. John Legend)

I wonder how your body tastes,
Inside of someone else's place,
Hide away your eyes,
There's nothing left to hear,
I'm alone, but I know everything you fear.
And you waited on the rain,
Their tears my heart is caged,
And we fall from faith,
But we rise and rise again.
And I run, run, run, run, run,
And I run, run, run, run, run,
I run, run, run, run, run,
I just run run run.
Tell me how you close the door,
no one, nobody can love you more,
Telling all your friends that this love is just made for bleeding,
And upon new road I have started keep on, try to breathe in.
And you waited on the rain,
Their tears my heart is caged,
And we fall from faith,
But we rise and rise again.
And I run, run, run, run, run,
And I run, run, run, run, run,
I run, run, run, run, run,
I just run run run.
Our laws are fading,
Tied up and changed.
And you waited on the rain,
Their tears my heart is caged,
And we fall from faith,
But we rise and rise again.
And I run, run, run, run, run,
And I run, run, run, run, run,
I run, run, run, run, run,
I just run run run.
